EXPERIENCE

03/2025 - I currently work here
Front-End Web Developer
Dharunkumar | Chennai , India

- Developed user-friendly website interfaces using HTML, CSS, and JavaScript for enhanced user experience.
- Utilised JavaScript, HTML, and CSS to create interactive and visually appealing web pages.
- Optimised web page loading times by compressing images and minifying CSS and JavaScript files, resulting in faster user access.
- Participated in code reviews, contributing to the improvement of project quality and team standards.
